

WEB SERVICES

Because - you work hard for your money

HAVING A DEDICATED WEB PRESENCE HAS BECOME AN ESSENTIAL PART OF DOING BUSINESS IN THIS MODERN ERA. WITH MORE AND MORE CONSUMERS AND BUSINESS CUSTOMERS FINDING WHAT THEY NEED VIA SEARCH ENGINES SUCH AS GOOGLE IT IS IMPORTANT TO HAVE YOUR BUSINESS REPRESENTED WITH A QUALITY WEBSITE.

EC CREDIT CONTROL'S STRENGTH IN I.T. HAS SEEN THE INTRODUCTION OF A NEW COMPANY, EC WEB SERVICES. EC WEB SERVICES IS AN ARM OF EC GROUP DESIGNED TO HELP BUSINESSES JUST LIKE YOURS GET ONLINE AND ENSURE THAT YOU ARE REACHING EVERY AVAILABLE CUSTOMER.

THE WORLD-WIDE-WEB (www) EXPANDS YOUR POTENTIAL CUSTOMER BASE TO EVERY BUSINESS AND CONSUMER WITH AN INTERNET CONNECTION. IF YOU DO NOT HAVE A WEBSITE IT IS LIKELY THAT MANY POTENTIAL CUSTOMERS ARE NOT AWARE THAT YOUR BUSINESS EXISTS.

ALTHOUGH YOU MAY BE ONLINE WITH A BUSINESS DIRECTORY YOU DON'T HAVE A QUALITY WEB PRESENCE UNLESS YOU HAVE A DEDICATED AND PERSONALISED WEBSITE. ONLY A DEDICATED WEBSITE CAN ACCURATELY PORTRAY YOUR BUSINESS TO YOUR TARGET AUDIENCE ONLINE.

Recent times have seen an explosion in the popularity of internet enabled mobile phones and tablet computers. End users are increasingly moving more towards the web for information, answers and most importantly, people to do business with.

EC Web Services is focused on creating a quality website package for businesses such as yours.

All of the websites we create are of high quality and include:

- A modern web presence
- A point of difference from your competitors
- Relevant information for your customers
- A means for current and potential customers to contact you
- At least four pages such as Home, Services, About Us and Contact Us – more can be added
- Google Map to show your physical location
- Contact form to enable queries completed online to be emailed to you
- 6 months free website hosting

As part of our web design package we will:

- Register the domain name of your choice (subject to availability). i.e. www.yourbusinessname.co.nz
- Set up and configure your website hosting
- Design and build your website
- Add your logo and content
- Test your website
- Provide you with a password only access site until approved

Furthermore we can also assist with:

- Providing you with a professional email domain i.e. yourname@yourbusinessname.co.nz
- Adding additional pages to your website
- Providing Links / Connectors to social media pages such as Facebook, Twitter and YouTube
- Adding photo galleries to your website
- Google site Verification
- Submission to Google search engine
- Google Places Account
- Permalinks for friendly URLs

Once all content is provided we can provide you with a functional site within 15 working days.

EC Web Services made the process of getting my website up and running as simple as possible.
